

Looking For a Place to Shoot? Think Ashland Lake!

Ashland Lake Gun Club is located on U.S. Route 42 approximately 4-1/2 miles south of the intersection of Rts. 42 and 301 in West Salem, Ohio on 134 wooded acres.

ALGC has something to offer for every shooter:

- Pistol
- Shotgun
- Rifle

We have 5 pistol ranges for bowling pin, target and IDPA shooting. Interested in competitive pistol shooting? ALGC has a very active IDPA program and was the host club for the 2005 state IDPA championships.

For the shotgunner we have separate trap and skeet ranges with regularly scheduled matches.

And for the rifle shooter, we have a 300 yard range, a 200 yard range and a 100 yard “plinking” range all capable of simultaneous operation. We offer regular CMP type matches, tactical long gun matches, silhouette matches, antique arms matches, and of course, the popular Garand matches.

ALGC also offers camping, fishing, a playground for the kids and a pavillion for our social events. We have several major social events during the shooting season including a pig roast, steak roast and a clam bake to name a few.

What's the cost to join ALGC?

Current membership and application fees are as follows:

Dues	\$160.13 *
Initiation Fee	\$266.88 *
Note Purchase	\$200.00
Total	\$627.01

The Dues amount covers the dues for the year in which you join. Notes are a symbol of your ownership in the Club. Every member must own two notes (1/500 of the Club). (* Includes 6.75% Ashland County sales tax.) Seems like a lot? We can offer you a deferred payment plan. There is also a work party requirement of eight hours per year, but you can elect to pay a Work Party Fee (currently \$200 + tax = \$213.50). Since ALGC is a limited membership club, if you decide at some future date to leave the Club, the Club will arrange for you to sell your notes to another new member. Club by-laws require that all members be NRA members as well. ALGC also publishes a monthly Club newsletter that lists events, matches and other items of interest to our members.
